# Welcome from Cheryl Ward, Group Chief Executive and Director of FFBS

Thank you for your interest in joining the Board of Family Fund Business Services (FFBS) in this key role of Chair.

FFBS is a wholly owned trading subsidiary of Family Fund, a charity that for 49 years has provided essential grant support, information and advice to families on low incomes raising disabled or seriously ill children and young people across the UK.

FFBS works with charities, housing providers, local authorities and other organisations to make distributing practical support to people in need, efficient and hassle-free. Through its work it is also able to provide a source of funding to our charity and has generated profits of over £9.4 million that are gifted to help support the delivery of our charitable purpose since its launch in 2013. On course to deliver its best ever year, FFBS is vitally important to its clients, our charity and the thousands of beneficiaries that together we support.

You will be joining FFBS at an exciting time! We are entering the final year of our strategy and have just appointed a new Director to lead our team. Our Chair will lead the FFBS Board as we build on the success we have already achieved as we create and deliver our new strategy, exploring new markets and opportunities. We are ambitious and we aim to continue to grow in order to deliver sustainable funding to our charity so we can continue to invest in new and existing services and provide essential support to those that need it.

Our new Chair will work closely with the Family Fund Senior team, Board of Directors, and Trustees to oversee and govern the work of the subsidiary.

I hope you will be attracted to this exciting and challenging opportunity to lead our organisation, and to help us to grow our income and support our charity and its essential work.

Regards  
**Cheryl**

# Joining us as Chair

As Chair, and a Non- Executive Director you fulfil your role on a voluntary basis, serving for an initial term of at least three years extending to a second term.

FFBS is a wholly owned trading subsidiary of Family Fund but has its own Board consisting of no more than six Directors, including two Trustees. A relationship agreement is in place between the charity and its trading subsidiary with the Chair regularly reporting to the Board of Trustees on the performance of the subsidiary.

The Family Fund Group seeks to have a broad and diverse range of experience and skills within the Board membership. As a group supporting the needs of families raising a disabled or seriously ill child we encourage applications from those who have a passion and commitment to improve the lives of such families. To be the Chair of the Board of Family Fund Business Services requires time, understanding and effort.

We are seeking to appoint a Chair of the FFBS Board who has experience of Board oversight and governance, alongside financial or commercial business leadership. A passion for making a positive impact on the lives of children and young people with special educational needs and disabilities (SEND) is also essential!

We welcome candidates of any gender (women, men or other gender identity) and from any background who have the required skills and experience.

We would like to particularly encourage those from Black, Asian and Minority Ethnic backgrounds, people belonging to minority religions, LGBT people and people with disabilities or long-term conditions to apply, to increase the diversity of the current board and bring fresh perspectives through their lived experience.

We will make every effort to help you fulfil your role to the best of your abilities, and to support your development. We give all new trustees an induction and we have a board development programme to support you in developing your skills.

# Inclusion at Family Fund

Inclusion is not a new concept at Family Fund and Family Fund Business Services.

It is fundamental to who we are and why we do what we do.

With the input of our staff, we have created our **inclusion statement**. This sets out our commitment to improve inclusion in all aspects of our work.

## **A place for you to be you**

Our vision is to have a culture where we acknowledge and celebrate all differences so our staff, volunteers, and the families we support feel safe and free to be themselves, always.

We fundamentally believe in equity and inclusion. These beliefs and our values will influence all that we do: we are supportive, connected, passionate and determined.

We are committed to creating a culture that holds diversity and inclusion at the heart of everything we do and to establishing an environment that champions equity for us all, making sure we are all treated fairly and reach our personal potential.

We recognise that this requires continuous and concerted action and will learn together to build and then maintain this inclusive environment. Everyone at Family Fund takes responsibility for doing this together.
